**J&R SCHUGEL TO PROVIDE
DIRECTV TO DRIVERS WITH EPICVUE**

July 14, 2015 (New Ulm, Minn.) – J&R Schugel Trucking, an employee-owned nationally recognized carrier, is known for its focus on lifestyle and efforts to create a home away from home for its drivers. As part of its commitment to enhancing driver lifestyle, the company recently announced its plans to partner with EpicVue to provide DirecTV to over 25 percent of its fleet.

“Providing services like DirecTV to our drivers is about being able to give them all the same comforts that they have at home,” said Clay Merches, vice president of safety and human resources for J&R Schugel. “We listen to our drivers and take their suggestions to heart. We try to provide everything they want for comfort and lifestyle and we’re excited to offer this additional benefit to our drivers.”

The EpicVue package will be available for company drivers, lease purchase drivers and owner operators as a pass along benefit for \$60 per month. The service will be provided on a first come, first served volunteer basis to 150 of J&R Schugel’s drivers. The in-vehicle satellite TV system package announcement only adds to the number of other driver benefits at J&R Schugel, which include APUs in 100 percent of the company’s trucks, push-button release valves for trailer tandems, automatic air inflations and a full on-board recording system with Internet options. The company also recently announced a new pay raise for drivers. For more information about the job opportunities at J&R Schugel, call 800-359-0101 or visit www.jrschugel.com.
